

Disclosure log

Council's disclosure log is a record of information that Council has released under the Government Information (Public Access) Act 2009 ("GIPA Act"). Information that is released as a result of a GIPA application is listed in the log if Council is of the view that the information may also be of interest to other members of the public. Note that exemptions do apply under the GIPA Act whereby Council is not required to log certain access applications.

Document No.	Date of Decision	Summary of access to information requested	Summary of information provided	Access available to members of the public
