pip pip pip

**CHORUS**  
*I'm watching here, I'm listening there,  
water watching everywhere.  
I'm watching here, I'm listening there,  
water watching everywhere.*

*I'm watching the water everyday,  
Watching the water at play.*

**SING CHORUS**

*I'm listening for drips from every tap,  
Listening for drips, I'm good at that.*

**SING CHORUS**

*I'm turning the tap tight that's the way  
Turning the tap tight every day.*
